

A modern office interior featuring a long wooden conference table with black metal legs and several red plastic chairs. The room has large windows on the left side, providing a view of greenery outside. The ceiling is exposed concrete with visible pipes and ductwork, and two black pendant lamps hang over the table. The floor is a light-colored, polished surface. A blue triangle is visible in the bottom right corner of the image.

3 Pole Push-Fit Connectors

CLICK FLOW

CT105F

CT105M

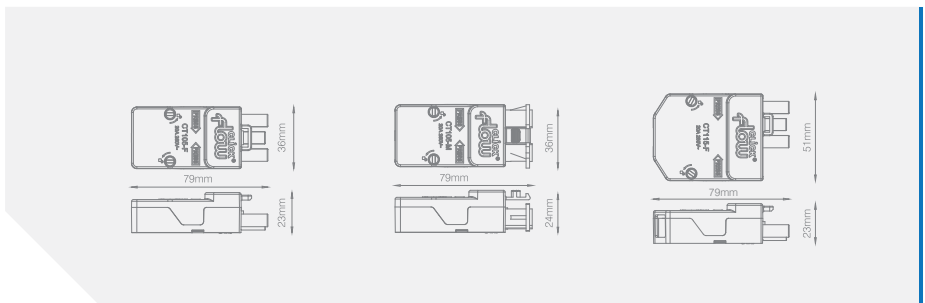

CT115F

CODE	DESCRIPTION	PRODUCT INFO
CT105F	20A 3 Pole Female Push-Fit Connector	Input Voltage (V~) 250
CT105M	20A 3 Pole Male Push-Fit Connector	Input Frequency (Hz) 50
CT115F	20A 3 Pole Female Push-Fit Connector With Loop	Rated Impulse Voltage (kV) 4
		Total Output Maximum (A) 20
		Terminal Capacity - Flex (mm <sup>2</sup> ) 2.5 (Max.)
		Terminal Capacity - Solid (mm <sup>2</sup> ) 2.5 (Max.)
		Operating Temperature Range (°C) -5 to +40

**TIME SAVING LEVERS**

Simply push lever down, offer stripped conductor into the terminal & then release the lever, ensuring the cable cannot easily be pulled out.

PRODUCT APPROVALS
