30, 60 and 90  
Minute Fire-Rating

# INCEPTOR® OMNI

7W FIXED FIRE-RATED  
LED DOWNLIGHT

## Colour Temperature Adjustable

The Omni has the ability to change the colour temperature between the below:

2700K - Cool White  
4200K - Warm White  
6500K - Daylight

## Insulation Support Bracket

Optional insulation support bracket included - fixes directly onto the Omni. This means insulation is lifted away from the unit, maintaining a minimum air space and helping any generated heat to dissipate. Lowering the temperature around the fitting can extend the life of the unit.

## Integrated Flow™ Connector

An integrated 3 Pole Flow™ connector allows for quick and simple connection & disconnection for initial and periodic testing to be carried out.
